NEW FARMERS' MARKET POPPING UP AT CURRENTS OF WINDERMERE

Currents of Windermere, OSFM Partner to Bring Weekly Farmers' Market to Southwest Edmonton.

April 11, 2022 | Edmonton, AB – Edmonton's newest farmers' market is set to begin May 19, taking place every Thursday from 4:00 pm to 7:00 pm. Running through to September 29; the Currents Farmers' Market will be located at Currents of Windermere's Town Square and will feature homegrown vegetables, fresh baked goods, locally sourced meat, clothing, jewelry, and more. The new market is a result of a partnership between Currents of Windermere and Old Strathcona Farmers' Market (OSFM) and will feature over 40 unique vendors, as well as special offers and activations from existing Currents of Windermere retailers.

Fresh, local products, produce, and preserves aren't all you will find at the market either, with each week boasting an impressive roster of local entertainment and prizes as well.

"2022 is going to be a big year for the Old Strathcona Farmers' Market," says OSFM Market Manager, Keith Persaud. "Earlier in 2022 we announced a new market in Parkland County, and now with the announcement of a second outdoor satellite market in Currents of Windermere, we will have three locations across the city for residents of all ages to enjoy. This market will ensure everyone in southwest Edmonton will have access to local fruit, clothing, specialty foods, jewelry and so much more."

"This is a very exciting day for us and Currents of Windermere," says Wanda Crantz, Shopping Centre Manager for Currents of Windermere. "We look forward to showing off our beautiful Town Square each week, and we know the market will no doubt be a summer highlight for those in the southwest community."

All markets will take place at Currents Town Square, with a special inaugural market set for Thursday, May 19 from 4:00 pm to 7:00 pm. Currents Town Square is located at 6004 Currents Drive NW within [Currents of Windermere](#).
